Subject: Re: Contingency Planning: Superfund Staff Lists (Quick Turnaround Needed)

Wendy,

If a shutdown occurs while folks are deployed, then we will simply expand the list to cover those that are deployed, unless the Agency decides that there are too many risks and liabilities. If that's the case, we will recall folks and have them home by 30 September 2015.

At this point, between the Academy, shutdown, and Gold King response, who know what will happen.

Good question though.
